PERSONAL DETAILS

Address: PO Box 146, Wits, 2050, South Africa

Contact number: +27 (0)72 392 7034

ORCID ID: [0000-0002-6636-1322](https://orcid.org/0000-0002-6636-1322)

Nationality: British; South African Permanent Resident

Website: <https://healthmigrationresearch.org/>

Scopus ID: [25931795100](https://scopus.com/authid/detail.url?authorID=25931795100)

Jo Vearey is an Associate Professor and Director of the African Centre for Migration & Society, Wits University, where she coordinates the Migration and Health Project Southern Africa (maHp), teaches, and supervises graduate students. Jo holds a PhD in Public Health (WITS University, 2010) has an h-index of 29 and i10-index 55 (google scholar March 2024)/h-index of 20 (Scopus - March 2024); is a South African National Research Foundation (NRF) B-rated researcher; alumni of the South African Young Academy of Science (SAYAS); and held the first Wellcome Trust Investigator Award outside of the UK and Ireland (2015 - 2020). Jo is Vice-Chair of the global Migration, Health and Development Initiative Network (MHADRI), and Director of the African Research Universities Alliance (ARUA) Centre of Excellence on Migration and Mobility. She is Co-Director of the National Institute for Health & Care Research (NIHR) Global Research Group on Disrupting the cycle of gendered violence & poor mental health among migrants in precarious situations (GEMMS) and Co-Lead of the African Research Universities Alliance (ARUA) & The Guild Network of European Universities (The Guild) Cluster of Research Excellence (CoRE) in Migration & Health. Her internationally recognised and globally-impactful research in the field of migration and health is informed by her commitment to social and epistemic justice.

CURRENT POSITION

- (since January 2019) Director and Associate Professor, African Centre for Migration & Society (ACMS), School of Social Sciences, University of the Witwatersrand, Johannesburg, South Africa.
- (since January 2019) Director of the African Research Universities Alliance (ARUA) Centre of Excellence on Migration and Mobility, University of the Witwatersrand, Johannesburg, South Africa.
- (since January 2017) Honorary Researcher, Centre for African Studies, School of Social and Political Sciences, University of Edinburgh.

ACADEMIC AND PROFESSIONAL EXPERIENCE

- (November 2017 – December 2018) Acting Co-Director and Associate Professor, African Centre for Migration & Society (ACMS), School of Social Sciences, University of the Witwatersrand, Johannesburg, South Africa.
- (December 2014 – October 2017) Associate Professor and Postgraduate Coordinator, African Centre for Migration & Society (ACMS), School of Social Sciences, University of the Witwatersrand, Johannesburg, South Africa.
- (June 2010 – December 2014) Senior Researcher, African Centre for Migration & Society (ACMS) (formerly the Forced Migration Studies Programme), School of Social Sciences, University of the Witwatersrand, Johannesburg, South Africa.
- (October 2009 – December 2010) Regional Research Coordinator (part-time): Health Economics and AIDS Research Division (HEARD), University of kwaZulu-Natal, Durban, South Africa & Southern African AIDS Trust (SAT), Johannesburg, South Africa.
- (June 2007 – 2010 May) Doctoral Research Fellow: Health and Migration Initiative, Forced Migration Studies Programme, School of Social Sciences, University of the Witwatersrand, Johannesburg, South Africa.
- (October 2003 – May 2007) Intern and Researcher: STI/HIV Research Directorate, Reproductive Health and HIV Research Unit (RHRU), University of the Witwatersrand, Johannesburg, South Africa.

ACADEMIC QUALIFICATIONS

- (2010) PhD in Public Health, University of the Witwatersrand, Johannesburg, South Africa. Thesis: The persistent urban challenges of migration and informal settlements in the context of HIV.
- (2003) MSc Control of Infectious Diseases, London School of Hygiene and Tropical Medicine, UK. Thesis: Initiating an HIV/STI programme for migrant men in inner city hostels: the challenges of engaging government and community within the urban South African context.
- (2002) BSc (Hons) Biological Sciences with Honours in Genetics (Upper Second Class), University of Edinburgh, UK. Thesis: Characterisation of two human EB1 homologues.

MAJOR RESEARCH & INSTITUTIONAL DEVELOPMENT FUNDING

- (2022– 2026) Co-Director with Professor Anuj Kapilishrami, University of Essex. National Institute for Health and Care Research (NIHR) Global Health Research Group on Disrupting the cycle of Gendered violence & Poor Mental health among Migrants in precarious Situations (GEMMS) [Total of GBP 2.5 million over 4 years; GBP 751,000 to ACMS]
- (2020-2023) Co-I ESRC Improving healthcare at the intersection of gender and protracted displacement amongst Somali and Congolese refugees and IDPs (PI Professor Laura Jeffery: University of Edinburgh) [Total of GBP 2,769,880 over 3 years; GBP 530,000 to ACMS]
- (2020-2023) Co-I on European Commission HORIZON 2020: The right to international protection: A pendulum between globalization and nativization? (PI Hakan Gurcan Sicakkan, University of Bergen) [Total of EURO 3,238,002.50 over 3 years; EURO 150,000 to ACMS]
- (2019-2021) Co-I AmplifyChange: Improving Access to Sexual and Reproductive Health to Migrants in South Africa [Total of EURO 481,589; EURO 54,000 to ACMS]
- (2019-2021) Co-I on Health Systems Research Initiative (HSRI) Grant Department of International Development (DFID), the Economic and Social Research Council (ESRC), the Medical Research Council (MRC) and Wellcome Trust. Project: Migration, gender and health system responses in South Africa: A focus on the movement of healthcare users and workers (PI Johanna Hanefeld, LSHTM) [GBP 680,000 over 3 years; GBP 188,000 to ACMS]
- (2019-2021) PI: UKRI Capacity Building Grant: African Academy for Migration Research (AAMR) [Total of GBP 600,000 over 3 years]
- (2018) Southern Africa Trust/DfID – partner in grant awarded to Sonke Gender Justice [ZAR 720,000 awarded to ACMS over 2 years]
- (2018) University of Edinburgh Global Challenges Funding with Dr Rosemary Geddes, University of Edinburgh [ZAR 56,811.87]
- (2018) Wellcome Trust Open Access Funding for GHA Special Issue [EURO 14,000 / ZAR 224,949]
- (2017) Wellcome Trust Provision for Public Engagement Award [ZAR 1,299,375.00 over 18 months]
- (2015 onwards) European Master in Migration and Intercultural Relations, funding raised for teaching, supervision and hosting of EMMIR interns [approx. EU 15,000 to date / ZAR 240,000]
- (2015) Linnaeus-Palme Programme funding in partnership with REMESO, Linköping University, Sweden for research staff and postgraduate student exchanges [SEK 1,004,600 / ZAR 1,541,757]
- (2015) Wellcome Trust Investigator Award. (un)healthy migration in southern Africa. [ZAR 13,410,679.00 over 3 years]
- (2015) ESRC-NRF International Centre Partnership with Drs. Barbara Bompani and Sarah-Jane Cooper-Knock, University of Edinburgh. Security at the Margins (SeaM): Spaces and strategies for negotiating security in urban South Africa. [GBP 109,615.20 / ZAR 1,987,841 from ESRC plus ZAR 400,000 from NRF over 3 years]
- (2015) Newton Mobility Grant with Dr. EJ Milne, Coventry University, UK. Marginalised voices: exploring arts-based and narrative methodologies for understanding the lived experiences of migrant sex worker and migrant LGBTQI communities in South Africa and the UK. [GBP 9,970 / ZAR 180,800]
- (2015) National Research Foundation (NRF) South Africa: (un)Healthy movement in southern Africa: towards improved responses to communicable diseases. Research Development Grants for Y-Rated Researchers. [ZAR 260,000]
- (2014, 2015, 2016) Friedel Sellschop Award, University of the Witwatersrand. [ZAR 390,000 over 3 years]
- (2016) Open Society Foundation: MoVE : Method:Visual:Explore [USD 100,127 / ZAR 1,374,615]
- (2014) Pan-University Network for Global Health (PUNGH): Pilot Funding: development of a multidisciplinary network of established and emerging scholars on migration, urbanisation and health in southern Africa [ZAR 109,500]
- (2014) British Council Travel Award to undertake a research visit to the London School of Hygiene and Tropical Medicine [GBP 5,900 / ZAR 107,000]
- (2013) OSF-SA – Documenting the Under-Represented Voices of Migrant Sex Workers [ZAR 690,000]
- (2013) The Netherlands Organisation for Scientific Research (WOTRO): Migration, Development and Conflict with Dr. Lorraine Nencel, VU University, Amsterdam. [EURO 50,702 / ZAR 814,672 over 2 years]

JOANNA L. VEAREY, PHD

jo.vearey@wits.ac.za jovearey@gmail.com

- (2013 - 2018) National Research Foundation (NRF) South Africa: Incentive Funding for Rated Researcher. [ZAR 200,000 over 5 years]
- (2012) British Academy International Partnership with Dr. Joost Fontein, University of Edinburgh. [GBP 10,000 / ZAR 181,000]
- (2012) Africa Initiative Research Grant, Centre for International Governance Innovation, Canada. [CAD 15,000 / ZAR 156,739]

RECENT, SELECTED CONTRACT RESEARCH

- (2023 - ongoing) Production of a report from the 3rd Global Consultation on the health of migrants and refugees. World Health Organization.
- (2020) Open Society Foundations – Mapping Covid-19 migration governance responses in Africa [USD 50,000]
- (2019-2020) International Organization for Migration: Disability and Migration in South Africa [EURO 38,333.00; approx. ZAR 661,000 over 8 months]
- (2019) International Organization for Migration (IOM) – Global mapping of migration and health training and capacity building initiatives – with Dr Rebecca Walker [USD 10,000]
- (2018) United Nations Population Fund (UNFPA) [USD 16,830 / ZAR 231,000]
- (2017) Margaret Pyke Trust - [GBP 8,114 / ZAR 146,806]
- (2014) South African Cities Network (SACN) [ZAR 100,000]
- (2014) International Organization for Migration (IOM) - Vulnerability Study [ZAR 20,250]
- (2013) International Organization for Migration (IOM) - A mapping of regional responses to migration and health [ZAR 50,000]
- (2013) International Organization for Migration (IOM) – Technical Briefs on Migration and Health in Southern Africa [ZAR 25,000]

ACADEMIC DISTINCTIONS, FELLOWSHIPS AND AWARDS

- (since January 2017) Honorary Researcher, Centre for African Studies, School of Social and Political Sciences, University of Edinburgh.
- (2016) Most cited researcher in the Humanities, University of the Witwatersrand.
- (since February 2016) Associate, Centre for Cultures of Reproduction, Technologies and Health, School of Global Studies, University of Sussex.
- (2015) Wellcome Trust Investigator Award. (un)healthy migration in southern Africa. [ZAR 13,410,679.00 over 3 years; first time awarded outside of UK and Ireland]
- (2014, 2015, 2016) Friedel Sellschop Award, University of the Witwatersrand.
- (2014) Erasmus Mundus Scholar Scholarship, University of Oldenburg, Germany (November – December 2014).
- (2014) Awarded membership of the South African Young Academy of Science (SAYAS).
- (2014) British Council Travel Award for a research visit to the London School of Hygiene and Tropical Medicine.
- (since May 2013) Senior Fellow: Center for Peace, Democracy and Development, McCormack Graduate School of Policy and Global Studies, University of Massachusetts, Boston.
- (2013) Faculty of Humanities Research Committee, Ad Hoc Research Grant, University of the Witwatersrand.
- (2013) Marie Curie Research Fellow, UNESCO Chair on Social and Spatial Inclusion of Migrants, University of Venice (SSIM-IUAV), Venice, Italy.
- (2013) Faculty of Humanities Research Committee, Travel Grant, University of the Witwatersrand.
- (2012) National Research Foundation (NRF) South Africa Rating: Young Researcher.
- (2012) Strategic Planning and Allocation of Resources Committee (SPARC) Funding Award, University of the Witwatersrand.
- (2009) AIDS Research Initiative (ARI) PhD Bursary, Carnegie Corporation of New York and University of the Witwatersrand.
- (2008, 2009) University of the Witwatersrand Postgraduate Merit Award.
- (2008) Second Economy Strategy, Presidents Office, South Africa, research funding.
- (2007, 2008) National Research Foundation (NRF), South Africa: PhD funding awarded through Prof. Ingrid Palmay's Thuthuka Research Grant.

MEMBERSHIP OF PROFESSIONAL BODIES/ASSOCIATIONS

- Vice-chair and Expert Member of the global Migration, Health and Development Research Initiative (MHADRI) - <https://migrationhealthresearch.iom.int/> & <https://migrationhealthresearch.iom.int/users/jo-vearey>
- The Global Society on Ethnicity, Race and Health (GSERH)
- South African Young Academy of Science (SAYAS): served as Executive Committee Member for the year 2015 - 2016
- Research Initiative for Cities and Health Equity (RICHE) Africa
- African Network on Training and Research in Health Geography & Urban Health
- International Society for Urban Health (ISUH)
- International Visual Sociology Association (IVSA)

SERVICE

Scientific advisory work and scientific committee membership

- Advisory group to develop a policy report on innovative solutions towards elimination of tuberculosis in low-burden settings for the World Innovation Summit for Health (WISH) <https://wish.org.qa/reports/>
- Technical Advisory Group member for the consultation process of the WHO training course on building the capacity of health care workers providing care to refugees and migrants (2024 onwards)
- Co-Lead African Research Universities Alliance (ARUA) & The Guild Network of European Universities (The Guild) Cluster of Research Excellence (CoRE) in Migration & Health (2023 onwards)
- Project Advisory Group Member : Developing Strategies to coordinate HHealth care provision between The Gambia and Senegal (SHEGAS) (2023 onwards)
- Advisory Board Member Academy in Exile (2023 onwards)
- International Advisory Board Member: Boston University Center on Forced Displacement (2023 onwards)
- Technical Working Group Member: World Health Organization (WHO) Migration and Health Programme (MHP) – development of a Global Migration & Health Research Agenda (2022 onwards)
- Steering Committee member: Statistics South Africa, production of a Migration Profile Report for SA (2023 onwards)
- Member of International Council: The Global Society on Ethnicity, Race and Health (GSERH) (2022 onwards)
- Africa Lead: 1st World Health Organization International Report on Migration and Health (2021-2022)
- Advisor: World Health Organization Migration and Health Programme (MHP) – development of Competency Standards (2021)
- Scientific Committee: 1st South African Conference on Migration and Urbanisation, organised by the South African Department of Social Development and Statistics South Africa (2021)
- International Society of Travel Medicine - International Conference on Migration Health, Rome (2018)
- 1st Annual CESSMIR Conference: Needs and Care Practices for Refugees and Migrants (2018)
- 1st World Congress on Migration, Ethnicity, Race and Health (MERH), Edinburgh (2018)
- UNESCO Regional Office for Southern Africa, in collaboration with the South African National Commission for UNESCO and the African Centre for Migration & Society at Wits University, International Conference - Southern Perspectives on Migration: Addressing Knowledge Production, Policies, and Cooperation (2018)
- Statistics South Africa (STATS SA) Conference on Migration and Urbanisation (2018)
- 2nd Global Consultation on Migration and Health, Colombo, Sri Lanka (February 2017)

SERVICE

Editorial work

- Editorial Advisor: Cities and Health (Taylor and Francis)
- Series Editor and co-creator of a series of Open Access/Creative Commons publications: MoVE:Method:Visual:Explore, ACMS, WITS

SERVICE

External reviewer

- Social Science and Medicine
- Journal of Ethnic and Migration Studies
- Health and Place
- African Journal of AIDS Research
- African Journal of Disability
- Plos One
- BMC Public Health
- SAGE Open
- Culture, Health and Sexuality
- Social Dynamics
- Global Health Action
- National Research Foundation (NRF), South Africa
- The Lancet HIV

SERVICE

Community service

- Abstract Reviewer: 5th Global Symposium on Health Systems Research (2018); 1st World Congress on Migration, Ethnicity, Race and Health (MERH), Edinburgh (2018); International Society for Travel Medicine Annual Conference (2018)
- Hosting and supervision of interns and research students from South Africa and internationally (2015 onwards)
- Mentor, International AIDS Society (IAS) Abstract Mentor Programme (2013 – 2016)
- Inputs to civil society discussions relating to migration and health (2009 onwards)
- Co-founder and member, Johannesburg Migrant Health Forum (established 2008)
- Technical advisor to various committees and platforms, including: the Migrant and Mobile Populations Task Team, South African National AIDS Council (SANAC); National Strategic Plan for HIV, STIs and TB, 2017 – 2022, South Africa
- Reviewer for multiple academic journals and research agencies including the National Research Foundation (NRF), South Africa and the Economic and Social Research Council (ESRC), UK
- Submissions to parliament on migration and health; decriminalization of sex work; HIV and migration (2009 onwards)
